AILBIEA & MARITIME GATEWAY LOGISTICS CONFERENCE

Friday, 5th April, 2019

Hotel Trident, Nariman Point, Regal Room, Mumbai 21

AILBIEA has contributed significantly to the liquid Bulk Trade by positive and fruitful interactions with Customs, Excise, Port and other Governmental departments, which eventually has benefited the trade, industry and the Governmental departments.

The AILBIEA family consists of different stake-holders in the business sectors viz. Corporates and Industrial houses, Multi-national Trading Houses, Traders and Trade intermediaries, as well as a host of service providers including customs, Barge operators and others

The AILBIEA anniversary event gets the stamp of 'Event of the year' from one and all and this will be the 20th consecutive run of the prestigious AILBIEA SPLASH/STELLAR AWARDS to various top CEOs, performing members, associations and others who contribute towards promoting EXIM Trade.

On the occasion of its anniversary AILBIEA in association with Maritime Gateway, South Asia's Premier maritime business magazine brings a highly focussed business conference.

Innovation and Skill Development are the key drivers of growth globally and in India. This conference will see along with its business sessions, a game changing way to understand international logistics and positively stimulate the minds of those of our fellow colleagues in the logistics industry.
