About AILBIEA

Engagement with Authorities & its unique approach

AILBIEA has made significant inroads with the **Finance Ministry, CBIC, Ministry of Commerce**, and other governmental organizations through meaningful interactions and representations, addressing key concerns.

AILBIEA has significantly contributed to the Liquid Bulk Trade through positive interactions with Customs, Excise, Port, and other governmental departments.

We tackle various challenges in the Liquid Bulk Trade, such as **policy interpretation, faceless assessment schemes, tariffs, documentation, assessment, clearance procedures, and taxation**, by actively engaging with CBIC and concerned commissionerates.

With over 50 members from reputed business houses, AILBIEA maintains **constant interaction with Customs, Port Authorities, Municipal Corporations, State departments, and policy-makers.**

AILBIEA's Objectives and Anniversary Celebrations

The Memorandum of Association of AILBIEA outlines its primary objectives:

- Promote the healthy and orderly growth of the country's trade in liquid bulk cargoes.
- Leverage the experience of the past ten years to follow up on unresolved issues and exert pressure on governmental departments for industry and trade betterment.

AILBIEA's anniversary events are renowned and eagerly awaited, attracting industry leaders, top CEOs, CFOs, association heads, senior Port, Revenue, and Customs officials, and policy-makers.
