About AILBIEA

A legacy of Engagement, Advocacy, and Industry Leadership

The All-India Liquid Bulk Importers & Exporters Association (AILBIEA) has consistently established itself as a credible and influential voice of the liquid bulk trade industry. Through sustained, constructive engagement with key government bodies—including the Finance Ministry, CBIC, Ministry of Commerce, and other regulatory authorities—AILBIEA has effectively represented industry concerns and driven meaningful outcomes.

Our proactive approach has enabled us to address complex challenges faced by the sector, including policy interpretation, faceless assessment schemes, tariff documentation, customs clearance procedures, and taxation matters. By maintaining continuous dialogue with CBIC and various Commissionerates, AILBIEA plays a pivotal role in ensuring smoother trade operations and regulatory clarity.

Over the years, AILBIEA has significantly contributed to the growth and efficiency of India's liquid bulk trade through its collaborative efforts with Customs, Excise, Port Authorities, and other government departments.

This year marks a momentous occasion as AILBIEA celebrates its Silver Jubilee—a proud milestone reflecting 25 years of dedicated service to the industry. The celebration holds special significance as it will honor Mr. N. B. Godrej, Chairman and Managing Director of Godrej Industries Ltd., on the occasion of his retirement. His visionary leadership, unwavering support, and invaluable contributions have been instrumental in the growth of AILBIEA and the advancement of India's industrial and seaport. He is widely regarded as one of the most respected and distinguished industrialists in the country.
