21st Anniversary Celebrations -14th October 2022

Unfortunately due to the advent of Pandemic, worldwide, beginning March 2020 we were unable to host the much sought after and the most premier annual event of ours for two years.

However, In these two years, AILBIEA has made significant inroads into the Finance Ministry, CBIC, Ministry of Commerce and other governmental organization ' thru' meaningful interactions and host of representations, taking up issues of concern and addressing the same with the above authorities.

AILBIEA's constant interactions and persistent representations on various issues impacting the Liquid Bulk Trade, during the devastating Pandemic period has been much appreciated and acknowledged by many.

Now, with the Pandemic waning out, and normalcy being nearly restored, it calls for a memorable and happy celebration to commemorate the successful 22 years of ongoing journey of service to the Industry, trade and Revenue department of Government of India, Ministry of Finance, New Delhi, in Liquid Bulk Commodities viz. Petroleum, Industrial Oils, Chemicals, Vegetable Oil etc.

AILBIEA has contributed significantly to the liquid bulk trade by positive and fruitful interactions with Customs, Excise, Port and other Government departments, which eventually has benefited the trade, Industry and the Government departments.

The AILBIEA family consists of different stake-holders in the business sectors viz. Corporates and Industrial houses, Multinational Trading Houses, Traders and Trade intermediaries as well as host of service providers including customs, barge operators and others.

There are numerous challenges that the industry and trade in Liquid bulk face from time to time. Policy interpretation, Faceless Assessment Scheme, Carotar, tariffs, documentation, assessment, clearance procedures, taxation and a whole lot of other issues keep impacting the liquid bulk trade. and, which we at AILBIEA have been vigorously taking them up with the CBIC and concerned Commissionerates.
